

To Whom it May Concern,            We enjoy the variety and quality of the XM radio service not available in other areas (i.e. AM and FM.)

We pay for this service, and it should not be up to the National Association of Broadcasters to dictate what we are permitted to hear.

We respectfully urge the NAB's petition 04-160 and to support XM's ability to provide the kind of service that we enjoy.

Thank you,  
Gregg M. Thompson
